JONESBORO, GA — MARCH 17, 2026

"Stripe N Strong shows young readers that true strength comes from believing in yourself and caring for others. I wanted to create a story that reminds children that even when life feels uncertain, courage and kindness can make a difference."

- Sharon Thompson

A new children's book is capturing attention for its inspiring message about resilience, friendship, and believing in oneself. In *Stripe N Strong*, author Sharon Thompson tells the uplifting story of a zebra whose courage and compassion transform a community.

The story follows *Stripe N Strong*, a circus zebra that faces uncertainty after the circus came to an end and traveling from New York to Georgia. Along the way, he must overcome loneliness and doubt while trying to find his place in a new world.

Despite challenges and ridicule, *Stripe N Strong* ultimately proves his bravery by rescuing a teenager near the Clayton County Shamrock Dam. His heroic act earns him the admiration of the community and leads to a touching moment when he gives a special zebra ride to Derrick, an autistic child, during the town's Pirate Extravaganza celebration.

Through vibrant storytelling and engaging illustrations, *Stripe N Strong* delivers important lessons about courage, kindness, and the importance of accepting others.

Author Sharon Thompson was born in Portland, Jamaica, and later moved to the United States, where she became a Registered Nurse. In 2021, she pursued her passion for writing children's stories that inspire and uplift young readers. She has written two children's books, the other is *Peasy, the Potbellied Pig*.
